Chapter 1

Section 1.1

Paragraph 1.1.1

This is a document that describes the organization of a 3 level document.

Paragraph 1.1.2

Another paragraph that has a distinct title follows after the first.

This is a paragraph that continues the thought of the previous paragraph. It doesn't require a separate title.

Paragraph 1.1.3

This is, again, another thought in this section, but a different labeled paragraph.

Section 1.2 – Section with a description

Paragraph 1.2.1

This is a sample of a section with a title and description that is part of the title. The first paragraph of this section is 1.2.1.

Another paragraph in this section and it doesn't have a separate paragraph title.

Paragraph 1.2.2

Another paragraph in this section that has a paragraph title appears next.

Paragraph 1.2.3

A paragraph in the second section is next. This is the next paragraph in the second section.

Figure 1.2

Section 1.3 – The Third Section in the First Chapter

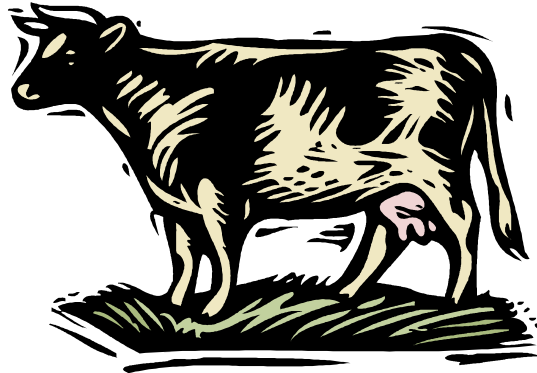

Paragraph 1.3.1

A paragraph in this section is similar to the others in the section, but it different.

Paragraph 1.3.2

This is a paragraph in the third section of the chapter.

Figure 1.3

Chapter 2 – A Chapter Title

Section 2.1 – A Section in the Chapter

Paragraph 2.1.1

This is the text for the first section in the second chapter.

Paragraph 2.1.2

The text in a paragraph is labeled with a title.

Paragraph 2.1.3

This is another paragraph. The content of this example doesn't mean very much.

Figure 2.1

Section 2.2

Paragraph 2.2.1

This is some more non important text in a paragraph in this section.

Paragraph 2.2.2

This is text related to the content of this section and paragraph.

Section 2.3 – The Third Section in the First Chapter

Paragraph 2.3.1

A paragraph in this section is similar to the others in the section, but it different.

Paragraph 2.3.2

This is a paragraph in the third section of the chapter.
